Approval

For all order NSM aproval is neccessary

Priority : method 1: darg option priority number change.
method 2: if we change number like 7,8,9 it arrange on postion of 7, 8 and 9 but priority number is 70,80,90 and 7,8,9 old order priority automatically move on 10,11,12 positon.

Immediate Out Standing Concept

Example:

Customer Name : XYZ CD: 30 Day CL: 1.0 Lac

Order place on 2nd january 2022 amount is 1,20,000/- which is above credit limit so if customer want material then pay 20,000/- which show in immediate outstanding.

Order place on 2nd February 2022 but previous pending amount is 40,000/- which is less than credit limit but beyond the credit day so if customer want material then pay 40,000/- which show in immediate outstanding in that case inf order material is over than CL then the diff. amount will added in immediate outstanding .
